REPLY TO INTERVIEW SUMMARY DATED MAY 30, 2006

Dear Sir:

This interview summary is in response to a telephone interview between Examiners
Phuong Huynh and Marc S. Hoff and applicants' representative, Carlos P. Garritano and his
associate Sunil Colaco. Applicants' representative thanks the Examiner for the courtesies
extended during the telephonic interview on May 24, 2006. During the interview claims 1, 10,
and 16 were discussed. In particular, the discussion related to applicants' representative
contention that Chen et al. (US 5,812,780) and Malmskog et al. (US 6,721,686) fail to disclose
or suggest the exemplary aspects recited in the subject claims. At the conclusion of the
telephonic interview the Examiner indicated that she would reconsider the cited documents in
light of the discussion.
